

Photographer

Richard Kerber, the photographer, is coming to take individual photographs of the children this **Thursday 11th May**. All the children are welcome to have their photograph taken, accompanied by Mrs Mash.

If you would like a photo with a sibling or as a family, you can either come early (8.15) to allow older child/ren to get to school, or during the early part of the morning.

Even if your child does not attend on this day, you are still very welcome to have the photo, however your child will not be able to stay. We also hope to be able to take a group photo of the children. If you do not want your child's/group photograph taken please inform Mrs Mills or Mrs Mash
