

PHOTOGRAPHER

On **Monday 16th October**, we will have our brilliant photographer Brett Lenman in during the session taking individual colour photographs of all the children. This will take place in the upper room throughout the morning only. The playgroup receives a percentage of the profits from any photographs purchased. Any monies raised will go towards buying Christmas books for the children. There is of course no obligation to buy, although every year parents have been delighted with the photos and had a hard job deciding which ones to purchase. If you do not want your child to participate, please let me know.

If your child usually attends on a MONDAY please drop them off directly into the Rainbow Room at 8.55 am (the photographer will be set up in the small Upper Room). If you wish to have your child's photo taken with younger siblings or other family members, please wait in the corridor to be called. Your child can then join the playgroup session after their photographs have been taken.

If your child does not attend on a MONDAY and you would like them to have their photo taken, we will issue a timeslot to save you waiting. Please then wait in the corridor until you are called. Please speak with me if you would like to make another arrangement.

The photographer is also willing to **come early (at 8.15) and take photos of sibling groups**, before older brothers and sisters go to school. If you would like to take advantage of this, please let me know ASAP so that I can make arrangements. This has been very popular in the past, with 'previous parents' bringing in their children as his photos are of such high quality.
