

Dear parents

Mrs White and Mrs Aherne-Sime have been busily training for a 10km sponsored run to finish at the Furzefield on the day of our picnic, 17th July at 11.30 to which all children are invited from 9.15 with an accompanying adult. So that the children and families will feel part of the fundraising efforts, the children and the parents can then run round the field with Mrs Aherne-Sime and Mrs White. The ladies have put in many hours of training alongside studying for the Level 3 in early years, well done ladies!

This year, instead of raising funds for another worthy charity, we have decided to raise funds for the playgroup to go towards the purchase of an interactive whiteboard which costs between £2k and £3k. An interactive whiteboard can be used for lots of learning situations including phonics, stories, mathematics and so on.

We really hope you will support the ladies and the playgroup by sponsoring them, asking your family and friends to join in as well. Attached is the sponsorship form to make a start.

Many thanks.
