

Dear Parent/Carer

CORONAVIRUS 2020

We are currently planning on staying open in line with Government advice. However, as we know the situation changes from day to day and even hour to hour. We will let you know as soon as we know, via our Facebook page and on our website.

Please let us know if you or anyone in your household or anyone you have had close contact with contracts Coronavirus. Please follow the official advice given for reducing the spread of the disease, including 2 weeks self-isolation if anyone in the household contracts the virus.

Due to the increase in the spread of Coronavirus we have put extra precautions in place for the health of the children, staff and families who come into contact with us. We have put extra cleaning procedures in place and help the children to wash their hands regularly throughout the session. For the safety of us all, please can we ask you to:

- ✨ Help your child to wash their hands thoroughly before entering the playgroup rooms
- ✨ Not let your children bring in any toys from home
- ✨ Ensure that any comforters that are absolutely essential for your child's wellbeing, are washed regularly.
- ✨ Any visitors to the setting, other than just dropping off, **MUST** wash hands on entry.

We thank you for your co-operation at this time and will continue with our high standards in order to ensure the children and staff are kept as healthy as possible.

Easter Event - CANCELLED

Following discussions, we have decided to cancel the invitation to the Easter event which was due to take place on Thursday 2nd April. Schools are likewise cancelling assemblies and music events and County have cancelled training courses and briefings.

Keep safe, keep healthy, keep positive

With kind regards

St John's Nursery Playgroups
