

December 2020

NATIVITY AND PARTY REMINDER

Every child who attends St John's are invited to attend on Thursday 17 December from 8.55 till 1 pm when we close for the winter break.

We are looking forward to our nativity on Thursday. We have been practising the songs and done a dress rehearsal. We are really pleased to let you know that a parent has offered to video the performance. This will then be made available to all our families via a login. This will be provided in an email to you later in the week.

The performance will be followed by our end of term party lunch. As mentioned in the December newsletter, we are asking you to make a 'festive' lunch for your child as we want to be as safe as possible. Please as always avoid nuts and sesame seeds as we now have two children with severe allergies. We are hoping that Santa might pop in to say hello after lunch.

STAFF

We have at least 16 new children starting in January, which includes several families who are moving into our lovely Potters Bar community. I am pleased to say that all of these families have come to us on recommendation, despite living out of the area. We are therefore interviewing for 2 new staff members this week. There are some lovely candidates so we are looking forward to welcoming new staff to the team. I plan to let you know at the end of the week.

You may also have heard that Ann Conyers will be undergoing a hip replacement operation this Wednesday. We wish her a speedy recovery. Current staff will be looking after the Yellow Fish children while she is away.

We would like to thank you for your lovely gifts to individual keyworkers and to the team. We will enjoy the treats with our coffee next term.
